

JAYL FUNK

JAYL FUNK is without a doubt one of the well known Producers / DJs of the Nu-Funk and Funky-Breaks scene!

Hailing from Nuremberg, Germany he had first appeared in the scene back in 2008 and since then he never looked back.

He managed to build a really strong profile with killer releases for Labels like TIMEWARP MUSIC, BREAKBEATPARADISE Records, MANMADE Records, BIGM Productions, ReSoul Records, PunchOut Records.

Jayl Funk's DJ-Sets are filled with the hottest grooves of the NuFunk, Funky Breaks and NuDisco era, far away from the typical Mainstream sounds.

He started DJing almost 20 years ago and his worldwide touch in the scene started in 2008. He released his first EP "Washed Car" on BLEENCHIC Records / Germany and he earned big support by Artists

Jayl got huge attention and respect for his DJ Friendly Funk edits on Soundcloud. In this context he managed to open his own Digital Label "HONKEY PHONK". His Tunes on the very successful polish label "TRUFUNK" got massive response from the crowd and he climbed fast to one of the well known NuFunk and Funky Breaks Producers worldwide.

In the past 10 Years Jayl Funks reputation has been growing strong with numerous releases and remixes for several Artists like Skeewiff, All Good Funk Alliance, Minimatic, BadboE, DFunk, to name a few.

His passion in Funk Music and his huge passion to play live DJ Sets let the grooves flow over your Mind, your Body and your Soul and he always remains true to his style.
